

Firstly, when we run the code, it opens Sign in screen:

A screenshot of a web browser window titled "Login". The window has a standard title bar with minimize, maximize, and close buttons. The main content area features a circular logo at the top containing four cartoon dogs (two brown, one blue, and one tan) huddled together. Below the logo is a text input field with a vertical cursor. Underneath that is a password input field with the placeholder text "Password". At the bottom of the form are two buttons: a red "Exit" button and a green "Login" button. Below the buttons, the text "don't have account? [Sign up](#)" is displayed.

As a first time we should Sign up:

A screenshot of a web browser window titled "Sign up". The window has a standard title bar with minimize, maximize, and close buttons. The main content area features the same circular logo with four cartoon dogs as the login screen. Below the logo, the text "Sign Up as" is displayed in blue. Underneath are two grey buttons: "Shelter" and "Adopter". At the bottom of the form is a red "Exit" button. Below the buttons, the text "Do you have an account? [Log in](#)" is displayed.

Let's Sign up as an admin "Shelter Admin"

Sign up

Sign up

Do you have an account? [Log in](#)

When we press on Sign up button a message appears:

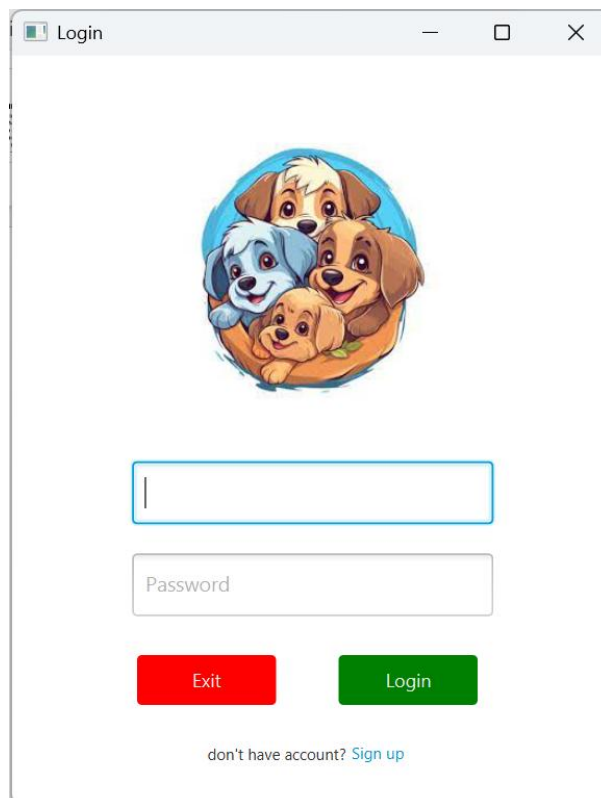

The screenshot shows a 'Sign up' window with the following fields and buttons:

- Admin Information**
 - User Na...: Tasneem
 - Password: [masked]
- Shelter In**
 - Shelter Nam
 - Location
- Contact**: 01002345678
- Buttons**: Exit (red), Sign up (green)
- Footer**: Do you have an account? [Log in](#)

A message box titled 'Message' is overlaid on the window, displaying:

- Successful Sing Up**
- OK** button

When we press OK login screen opens again:

The screenshot shows a 'Login' window with the following elements:

- Image**: A circular illustration of four cartoon dogs (two adults and two puppies) in a blue and orange frame.
- Fields**:
 - [Empty text box]
 - Password
- Buttons**: Exit (red), Login (green)
- Footer**: don't have account? [Sign up](#)

If we enter wrong password or username:

Login

Tasneem

•

Exit

Login

don't have account? [Sign up](#)

An Error Message occurs when we press on login button:

Login

Message

 wrong User name or Password

OK

•

Exit

Login

don't have account? [Sign up](#)

Now I will enter the correct password:

Login

don't have account? [Sign up](#)

login

don't have account? [Sign up](#)

Message

 **Successful Login**

After pressing OK we navigate to admin main menu, shelter name is written and username:
